

# Sawing & Demolition

## Dispatched to Deliver on Demand

Full fleet of trucks and experienced employees make us the right choice for both quick turn and major project schedules.

Southwest Construction Services utilizes our Dallas-based multiple dispatchers, field superintendents and skilled work force to respond to your urgent and planned needs. We have extensive experience in fast response, fast delivery, and excellent workmanship.

### Our Sawing & Demolition services include:

#### Sawing, Removal & Haul Off

- ◇ Wall Sawing
- ◇ Core Drilling
- ◇ Soff-Cut (early entry)
- ◇ Flat Sawing
- ◇ Electric Sawing
- ◇ Highway Sawing
- ◇ Decorative Sawing
- ◇ On Demand Service Program

In particular, we are a leading provider of soff-cut (early entry) sawing to reduce shrinking cracks and control slurry.

We operate a fully self-contained fleet of trucks with on-board GPS tracking to ensure efficient dispatching to jobsites. Our Sawing & Demolition division has developed a reputation of meeting customer schedules and deadlines and providing superior service and quality on each project.

**Contact us today to find out how we can go to work for you and get the job done right the first time.**
